

Internal control Policy

History, Present Business and Background of D&B

With more than five decades of experience behind us, we at Dalal & Broacha, are today one of the leading Stockbrokers of India. The company is incorporated under the Companies Act, and is a member of the National Stock Exchange and BSE Ltd. (erstwhile Bombay Stock Exchange)- Mumbai as well as holds a seat on the National Stock Exchange on both the capital market as well as the derivatives segment. On the Institutional side we do business with most of the Indian Financial Institutions, the firm's satisfied client base is its main driving force.

Efficiency, integrity, and transparency in transaction have helped build trust, the raison d'être of the long-standing close customer relationships we cherish. Our customers rely completely on our principles of constant innovation and consistency of performance. In keeping with these principles, we have successfully serviced our diverse client base, which includes many Indian Financial Institutions, some Corporates, Banks, Mutual Funds as well as Foreign Institutional Investors. In addition, our customer base includes about seven thousand retail customers including Non-Resident Indians. We pride ourselves for being amongst the first to service the FII clients when the markets opened further in 1993.

Details of Internal Controls

1. Client Code Modification:

In compliance with the SEBI vide Circular No. CIR/DNPD/6/2011 dated July 05, 2011 and thereafter if any & Code of Conduct issued by the Exchanges for Stock Brokers, this policy containing the following guidelines has been formulated to ensure that:

a. Modification of client codes of non-institutional trades shall be done only to rectify genuine error in entry of client code at the time of placing / modifying the related order.

Changes in the client codes of non-institutional clients shall be done on the following criteria

- (a) Punching error / typing error of client codes
- (b) Trade entered for wrong client due to communication error/typing error etc.
- (c) Modifications within relatives
- (d) Allocation to related FPI

- b. D&B shall inform the Exchanges on a daily basis by end of day, the reasons for modification based on the aforesaid objective criteria will be reported to exchanges as per exchange prescribed reason codes.
- c. D&B shall not modify any client code in their back-office system.
- d. Where the errors in the client codes do not fit into any of the above objective criteria, the trades will be transferred to our "Error Account", which is being maintained only for such purposes and subsequently the trades in the "Error Account" will be liquidated in the market.
- e. In case of error in institutional trades, the same will be taken under Error.

2. PMLA

(Copy of our PMLA policy enclosed)

3. Introduction/Registration of clients:

- It is our policy not to entertain walk-in clients. We do not have a separate marketing division. We do not have any promotional scheme nor do we offer freebies such as free demat account etc., to the prospective clients. As a pre-cautionary measure, we entertain only the clients properly introduced by our remisiers/authorized persons/employees.
- We have In Person Verification (IPV) officers to meet the clients personally, collect and verify the copies of PAN card and other relevant documents with the originals. They also affix their signature, date and stamp on the KYC/ CKYC/KRA Form for having done "in person verification" and send the same to our Head Office.
- In case of NRI clients IPV is done as either at the time of personal meeting with client or as per the exchange guidelines.
- The client is also made aware of various risks involved, as he is asked to go through the Risk Disclosure Document. The client is then asked to put his signature as token of having received, read and understood the said Risk Disclosure Document.
- Investor charter of respective division (broking, Demat, PMS) is shared with the client on-boarding and acknowledgement is taken.
- At Head Office, we have a full-fledged KYC department manned by experienced personnel. As soon as we receive the KYC/CKYC/KRA forms, the same are in-warded in a register kept in electronic form.
- Forms are then checked thoroughly for the following:
 - Checking of KYC/KRA / CKYC/FATCA forms, ID Proof and Address Proof along with Bank Proof.
 - In person verification
 - Verification of PAN on Income Tax website. A printout of the same is attached to KYC form. Client name is also verified as it should be as per the income tax records available on PAN site.
 - Introducer details are monitored/verified. Nominee details are mandatory even if client wants to opt out, the declaration should be signed and it is checked for completion.
 - Copy of the latest Bank statement / Passbook is verified for the last two months and taken on record.
 - Address proof as per specification of SEBI/Exchanges (any one of the following : Passport, Voter Id, Driving License, Bank Passbook, Rent Agreement, Aadhaar Card / Telephone Bill and Electricity Bill (not more than 2 months old).

- D.P. proof showing ownership of the client account.
 - Documents showing financial capability of the clients such as IT return, Networth Certificate issued by CA, Balance Sheet etc., are also taken from the clients.
 - Signature of the client, wherever applicable and across the photograph.
 - Signature of the client is duly witnessed.
 - All proofs self-attested by the client
 - For clients other than individual category, proofs are accepted as per the KYC guidelines
- Once all the above requirements are checked, the client's name is also checked on various websites such as www.watchoutinvestor.com, www.sebi.gov.in, www.nseindia.com and www.bseindia.com to verify whether the client is in the list of debarred entities. It is also checked against list issued by UN sanction list & List of Debarred Entities based on orders / directions from other Competent Authorities issued from time to time by exchanges & depositories. For if clients' name is found in the debarred list, we reject the form and return it to the client. If client's name is found in the debarred list without PAN, we write to the client for clarification and obtain a declaration to this effect.
 - Unique Client Code is then allotted to the client.
 - The client details are fed into our system by our Executives and again the same are verified by a Senior Executive & also by concurrent auditor.
 - The details of the client are uploaded in the exchange for UCC and the same are also uploaded to KRA/CKYC and sent to KYC Department.
 - Welcome Letter is sent to the client along with xerox copies of the KYC documents. A copy of the welcome letter is also sent by email to the remisier/authorized person/employee, who introduced the client.
 - The client registration documents, after being scanned, are kept in our godown for safe-keeping. Scanned copies of the KYC form and all the documents attached therewith are also kept with us for easy retrieval.
 - Mandatory 6 KYC attributes are must for any client to register the UCC as per the exchange guidelines
 - Periodic reminders to all the clients or respective RM/dealer/ AP/Branch asking them to submit documents pertaining to their financial positions are given. As and when we receive the same, we update the clients' database.

4. Uploading of KYC documents to KRA/CKYC:

- ✓ The KYC Registration Agency (KRA) is CVL, NDML, Dotex
- ✓ With the help of interoperability facility of CVL, the data also is fed into the KRA systems of CAMS & KARVY (all the KRA agencies under interoperability)
- ✓ In order to implement **SEBI circular no CIR/MIRSD/66/2016 dated July 21, 2016** for operationalization of Central KYC Records Registry (CKYCR). - ✓ Inter-client adjustments for the purpose of settlement of running account is not done.
- ✓ If no transaction is done in the 30 calendar days since the last transaction, the credit balance of client's account shall be returned within next three working days irrespective of the date when the running account was previously settled.
- ✓ As per SEBI circular MIRSD/ SE /Cir-19/2009 dated December 3, 2009 and SEBI/HO/MRD/DP/CIR/P/2016/135 dated December 16, 2016, the settlement of funds and / or securities shall be done within 1 working day of the pay-out, unless client specifically authorizes the trading member in writing to maintain a running account. Vide SEBI circular no. CIR/HO/MIRSD/DOP/CIR/P/2019/75 dated June 20, 2019, running account for securities has been discontinued and therefore, SEBI circulars dated December 03, 2009 and September 26, 2016, are now applicable for settlement of running account of client's "funds" only. Vide SEBI circular no. SEBI/HO/MIRSD/DOP/P/CIR/2022/101 dated July 27, 2022, the settlement of running account of funds of the client shall be done by D&B after considering the End of the day (EOD) obligation of funds as on the date of settlement across all the Exchanges on first Friday of the Quarter (i.e., Apr-Jun, Jul-Sep, Oct-Dec, Jan-Mar) for all the clients i.e. the running account of funds shall be settled on first Friday of October, January, April, July and so on. If first Friday is a trading holiday, then such settlement shall happen on the previous trading day. For clients, who have opted for Monthly settlement, running account shall be settled on first Friday of each month. If first Friday is a trading holiday, then such settlement shall happen on the previous trading day.

- ✓ In case of client having any outstanding trade position on first Friday of the Month / Quarter on which settlement of running account of funds is scheduled, D&B may retain funds calculated in the manner specified below:
 - A. Entire pay-in obligation of funds outstanding at the end of day on date of settlement, across all segments.
 - B. D&B may retain 50% of end of the day (EOD) margin requirement as cash margin, excluding the margin on consolidated crystallized obligation/ MTM. Apart from 50% cash margin it may also retain 225% of EOD margin (which includes additional 125% margin) reduced by 50% cash margin and the value of securities (after applying appropriate haircut) accepted as collateral from the clients by way of 'margin pledge' created in the Depository system for the purpose of margin and value of commodities (after applying appropriate haircut). The margin liability shall include the end of the day margin requirement in all the segments across exchanges excluding the margin on consolidated crystallized obligation/ MTM. The margin liability may also include the margin collected by the D&B from clients as per the risk management policy and informed to the clients.
 - C. Excess securities (in the form of margin pledge) or any cash equivalent collateral deposited with CC on behalf of me, after adjustment of the 225% of margin liability, need not be unpledged.
- ✓ D& B shall send a complete 'Statement of Accounts' for funds, securities and commodities in respect of each of its clients on weekly basis. on or before the next four trading days of subsequent week. Further all members will continue to send 'statement of accounts' containing an extract from the client ledger for funds, an extract from the register of securities/commodities displaying all receipts and deliveries of securities/commodities and a statement explaining the retention of funds/commodities within 5 days from the date of settlement. Notwithstanding anything contained above, Member shall issue the statement of accounts for funds, securities and commodities for such period as may be requested by the client from time to time. The statement of accounts may be sent in hard or in soft form as per the consent obtained from the client and POD / dispatch register / logs of email sent should be retained by the member.

11. Execution of POA (Power of attorney) & DDPI (if applicable):

- ✓ POA is taken in the name of Company and not in the name of its Directors or Employees
- ✓ POA facility is at the discretion of client whether to opt for it or not. Any changes thereon are informed to clients by adding addendum to POA.
- ✓ POA does not authorize employees or directors to operate client's bank / demat accounts.
- ✓ Once POA gets executed by client and is complete in all aspects, it is registered both in CDAS & back office software. Similarly, in case revocation of POA, it is removed from CDAS & back office so that POA cannot be used further.
- ✓ With the introduction of Demat Debit & Pledge Instruction (DDPI), the auto pay- in facility is provided to clients based on the option selected by client in DDPI document (voluntary document) and is mapped in CDAS. DDPI document is stamped appropriately.
- ✓ As an internal policy, D&B has switched to DDPI for providing auto-pay in, for the clients who wants to opt for the same and POA (settlement purpose) is replaced by DDPI.

12. Opening & closing of branches:

Opening & closing of branches or AP is done only after application & approval from managing directors.

13. Closure of client accounts / dormant account:

- ✓ The clients' accounts are closed at the written request of the clients.
- ✓ In case of dormant accounts, policy of treatment of inactive account is followed which is guided

by recent exchange & regulatory guidelines.

- ✓ In case of transfer of clients from one branch to another, we take new KYC forms duly executed by the clients. We also take "No objection" letter from the old branch/AP, from whom the clients are transferred to the new branch/AP. Client's consent is also taken.

14. Receiving and Execution of Orders:

- ✓ All trading operations are carried out by dealers under instructions from clients/ directors/ authorized person.
- ✓ Our dealers/AP/branches ensure that the orders are placed by the clients or authorized person & order placement record is required to be maintained
- ✓ We take back-up of database for all front office and back office operations on regular basis & keep the same in safe custody.

15. Client Margin Information:

(Please refer margin & limit setting policy of RMS)

16. Brokerage:

Brokerage is charged within the limit prescribed by the Exchanges as agreed between us and the client. No brokerage scheme is provided to the clients except as agreed upon

17. Collection and reporting of margins:

- ✓ We consider Ledger Balances across exchanges to verify / ensure that the margins reported are actually collected.
- ✓ In case of uncleared cheques we rectify the margin file and re-upload the same. In such cases we may charge penalty to client.
- ✓ We are charging margins from our clients as per the SEBI/Exchanges directives
- ✓ D&B has only CM segment as active segment for trades.
- ✓ CLMG02 file is taken for details of margin
- ✓ VAR, ELM, Peal margin and M2M and any other margin as specified by regulators are collected from clients
- ✓ Clients may pledge the securities against the margin by creating a pledge in depository system in a specific demat account opened for the same i.e. Client Securities Margin A/C.
- ✓ For calculation purpose we take Ledger balance of CM segment plus collateral amount which includes shares valuation as on T-1 (Trading day minus 1 day).
- ✓ After deducting haircut of exchange, if client has any ledger credit balance in Cash segment we also consider the same while reporting to exchanges.
- ✓ Allocation is done on the basis of verification of margin collected v/s margin requirement & internal allocation in respect of upfront margin considering ELM, VAR, Adhoc margin whichever is higher.
